

# Task 1.2P Particle Photon/Argon - Add and remove device to Particle account

The screenshot shows the Particle Console interface. The browser address bar is `console.particle.io/devices`. The page title is "Devices". There is a checkbox for "Show sandbox devices only" which is currently unchecked. Below this, it says "Total personal devices: 1" and "Total claimed product devices: 0". A table lists the devices with columns: ID, Type, Name, and Last Handshake. One device is listed with ID `e00fce681417215e95c61a5f`, Type `Argon`, Name `university_particle`, and Last Handshake `3/22/22 at 8:57am`. The interface includes a sidebar with navigation icons and a top navigation bar with links to Docs, Contact Sales, Support, and Notifications.
